JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SEC. 2. All applicants for permits for the transportation of the aforesaid material shall provide wagons with bodies sufficiently tight to prevent the contents escaping therefrom, and when unloaded each of said wagons shall be thoroughly disinfected to the satisfaction of the health department. Said wagons shall be loaded and conveyed so that none of the material shall fall to the ground, run out, or spill therefrom.

SEC. 3. No person having a permit to carry house offal through the streets shall convey same on any vehicle unless his name, the words "Offal permit," and the number of the permit are marked on each side of the vehicle, satisfactory to the board of health.

SEC. 4. If any person having a permit to carry house offal through the streets shall cease to be the owner of the vehicle conveying said offal, he shall immediately surrender his permit to the board of health.

Domestic Animals—Keeping of. (Reg. Bd. of H., May 1, 1913.)

CHAP. X. *Goats, swine, cows, and hens.*—SECTION 1. No person shall keep a goat, swine, cows, or hens within the limits of the city without first obtaining a permit so to do from the board of health and in all respects complying with the conditions of such permit. All such permits may be revoked at any time by the board of health.

SEC. 2. No poultry yard, coop, or house shall be established or maintained within 25 feet of any building used as a dwelling, or where food is manufactured, prepared, offered, or kept for sale.

Spitting—Prohibited in Public Places. (Reg. Bd. of H., May 1, 1913.)

CHAP. XI.—SECTION 1. No person shall spit upon the floor of any public conveyance, shop, store, hall, church, schoolhouse, railroad station, or other public building in said city, or upon the steps or in the corridors of any said conveyances or buildings, or upon the sidewalks or crossings of any public way of said city of Brockton.

SEC. 2. *Spitting in street cars.*—The board of health of this city hereby adjudges spitting in street cars to be a public nuisance, source of filth, and cause of sickness, and prohibits such spitting upon the floor, platform, or any other part of any street car.

Domestic Animals—Communicable Diseases of. (Reg. Bd. of H., May 1, 1913.)

CHAP. XII.—SECTION 1. *Notice from person suspecting or knowing of the existence of disease.*—The written notice required by law to be given to this board by persons having knowledge of, or good reason to suspect, the existence of any contagious disease among any species of domestic animals within the limits of this city, or that any domestic animal is affected with any such contagious disease, shall designate, as clearly as may be, the suspected animals, the ownership thereof, the disease with which the animals are suspected of being infected, and the locations where such animals are to be found.

SEC. 2. *Owner to isolate animals and notify board of health.*—Every person owning or having control of cattle suspected of being infected with tuberculosis, or horses suspected of being affected with farcy or glanders, or any domestic animals suspected of being affected with any contagious disease, shall cause such animals to be isolated upon his own premises, and shall at once notify the board of health in writing, giving a careful description of each animal and of the place of isolation, and no such animal shall thereafter be removed from the place of isolation or allowed to pass through any public or private street, way, or place, until after said animal has been inspected by the city inspector of animals or by a veterinarian appointed by this board.

SEC. 3. *Agent of board of health to cause animals to be isolated.*—Whenever any agent duly appointed by this board of health finds any animal, within the limits of said city, suspected by him of having, or which in his judgment is infected with, any of

the contagious diseases, as follows, namely, glanders, farcy, contagious pleuropneumonia, tuberculosis, Texas fever, foot and mouth diseases, rinderpest, hog cholera, and rabies, such agent shall cause, in the name of this board, such animal to be kept quarantined or isolated in such place (whether a portion of a building or other place) as he may designate, and may order that such animal shall be so kept isolated by the owner or the person or persons in possession of such animal, and at the cost of such owner or person or persons, and shall not be removed from the place so designated until discharged therefrom by an order of this board or its duly authorized agent, or an order issued by the State board of cattle commissioners or any of its members; and all persons are hereby forbidden to remove, or cause to be removed, said animal from the place or inclosure where it has been so quarantined or isolated; or to cause or allow said animal to pass from place to place within said city, or to be or remain in any place in said city, except the place designated as aforesaid; or to drive or transport, or cause to be driven or transported, any animal contrary to the regulations aforesaid; or to cause or allow any other animal to come in contact with said quarantined animal, or to enter the inclosure where such animal is confined.

SEC. 4. *Penalty for violation.*—Any person disobeying any provision of this chapter or any order made by an agent of this board of health as aforesaid, or driving or transporting any animal contrary to the said regulations, shall be punished by a fine not exceeding \$500 or imprisonment not exceeding one year.

Barbers and Barber Shops—Sanitary Regulations for. (Reg. Bd. of H., May 1, 1913.)

CHAP. XIII. The place of business shall be kept at all times in a cleanly condition. Mugs, shaving brushes, and razors shall be cleansed by immersion in boiling water after every separate use thereof. A separate clean towel shall be used for each person. Alum and other material used to check bleeding shall be used only in powdered form, and applied on a towel. The use of powder puffs and sponges is prohibited. Every barber shop shall be provided with running hot and cold water. No person shall be allowed to use any barber shop as a dormitory. Every barber shall cleanse his hands thoroughly immediately after serving each customer. Hair brushes and combs shall be thoroughly washed at least once a day.

Surgical Chests—Required in Factories. (Reg. Bd. of H., May 1, 1913.)

CHAP. XIV. Every person, firm, or corporation operating a factory or shop in which machinery is used for any manufacturing purpose, or for any other purpose, except for elevators, or for heating or hoisting apparatus, shall at all times keep and maintain, free of expense to the employees, a full set of the following articles, the same to be kept in a suitable dust-proof case: Adhesive plaster, 1-inch roll and 2-inch roll; bandages, two dozen assorted sizes, 1 to 4 inches; absorbent cotton, 1 pound; gauze, one package of 10 yards; elastic tourniquet, 2½ inches; safety pins, two dozen; splint material, four whitewood strips 30 by 4 by $\frac{3}{16}$ inches; scissors, straight, 3-inch blade; basin, enamel; tablets, corrosive sublimate and citric acid, 100; carron oil, 1 quart; aromatic spirits of ammonia, 4 ounces.

Milk and Cream—Production, Care, and Sale. (Reg. Bd. of H., May 1, 1913.)

CHAP. XV. RULE 1. No person, firm, or corporation shall engage in the production, sale, delivery, or distribution of milk in the city of Brockton except in accordance with the provisions of Revised Laws of Massachusetts and of acts of the legislature additional thereto, or in amendment thereof, and in compliance with the following rules and regulations of the board of health of said city:

RULE 2. Every person, firm, or corporation producing, keeping or offering for sale milk in the city of Brockton shall, annually, before the 1st day of June, be licensed so to do by the milk inspector of said city.
